

THE DON HAIG FOUNDATION

Don Haig, July 22, 1933 – March 2, 2002

Don Haig turned his love of film as a boy in Winnipeg into a lifetime of filmmaking that spanned over fifty years in the Canadian film and television industry.

He began in the editing room and moved into producing.

His extensive co-producer and executive producer credits include shorts, features and documentary films that screened at festivals from Yorkton, Saskatchewan to New York, Berlin, Los Angeles and Cannes.

Don gave generously to emerging filmmakers – his time, his knowledge, his money, the use of the editing facilities he had built, and his faith in the filmmakers and their talent. He considered it a privilege to do so. We consider it a privilege to continue his tradition.

In memory of Don, his passion for film, and his devotion to assisting filmmakers, a permanent legacy has been established by Don's lifetime companion Bill Schultz, Don's family, colleagues, and the filmmakers he so vigorously supported, to provide an annual award to a filmmaker.

Since his 2002, we have awarded 12 Canadian filmmakers with a cash award from \$10,000 to \$20,000. For more information – [www.donhaig.org](http://www.donhaig.org)
